**Renaissance** is great for informal places where individuals and groups can escape and connect over a coffee or bite to eat. Renaissance gives you the flexibility to make the most of in-between spaces. Create an informal teaming area close to workstations to give your people an inspiring place to talk things over. It also makes it easy to hold informal and spontaneous meetings. Just about anything else you can imagine.

## Future of The Office Space!

It is clearly seen that effective communication and sharing idea are key of success of today businesses. Instead of old styled, clustered table system we now need a collaborative space which by default enhances interaction of workers.

The rapid technological growth on smartphones and tablets also play significant role in furniture and its peripherals. Devices are capable on doing things never imagined before and people need less physical space.

Rennaisance is a tool for collaboration, communication, and physical interaction to create wild ideas which now drive the business to success.

**Breathable Seat**

Rennaisance is constructed from a breathable cushion which enhance comfort and durability for long terms of user.

**Sound Absorber Panel**

Using environment friendly PET sheet, the high back sofa offers quietness for concentrated work.

**Plug and Play USB Power Supplies**

Rennaisance comes with additional option to add separate USB power outlet for charging on the go, either on table or high sofa.

**Freestanding Activity Table for Multi Purpose Use**

Work a while using the light moveable table which is best paired with high back sofa for focused tasks.
